# 3 BEACHES

## A U S T R A L I A

3Beaches offer high performance fabrics by the metre or roll for residential and commercial use, as well as producing scatter cushions and bespoke products.

Luxurious and highly durable, our fabrics are easy to clean and suitable for indoor, outdoor and marine applications.

All 3Beaches fabrics are specifically developed to withstand commercial sunlight exposure and are resistant to mould and mildew growth, stains, chlorine damage and general wear.

Our demand for excellence is uncompromising. We source materials that are meticulously tested for quality, design and durability.

To design, develop and style is more than just a business, it's our passion.

# Auchenflower

The Auchenflower collection is a whimsical ode to the traditional “Queenslander” home and surrounding flora and fauna.

The Australian dynasty invokes daydreams of timber homesteads with sweeping verandahs and decorative balustrades. Iconic French doors connect the indoors with alfresco living and the garden.

Like the unique architecture of these homes, the Auchenflower collection radiates warmth and a sense of timelessness through its spirited patterns, elegant stripes and linen textures.

# Cushions

Ask us about our ready-made cushion.  
They're available in multiple sizes and can  
be customised with our trims and tassels.

A modern outdoor lounge set is shown against a wall with horizontal white wooden slats. A large, lush green fern hangs from the top left. The lounge set consists of a white wooden frame with a thick white cushion. Several patterned throw pillows in shades of grey and white are arranged on the sofa. A light grey textured ottoman sits in front of the sofa, holding a glass pitcher and a small potted plant. A light grey blanket is draped over the right side of the sofa. A large indoor plant with broad green leaves is visible on the right side of the frame. The floor is made of light-colored wooden planks.

# Ottomans

Available in all colourways and trims.  
and a range of sizes.

### Outdoor Fabric With Quick Dry Foam

Our ottomans are available in two standard sizes and can be specified in any of our fabrics. With a solid frame and quick dry foam, they are suitable for undercover outdoor use.

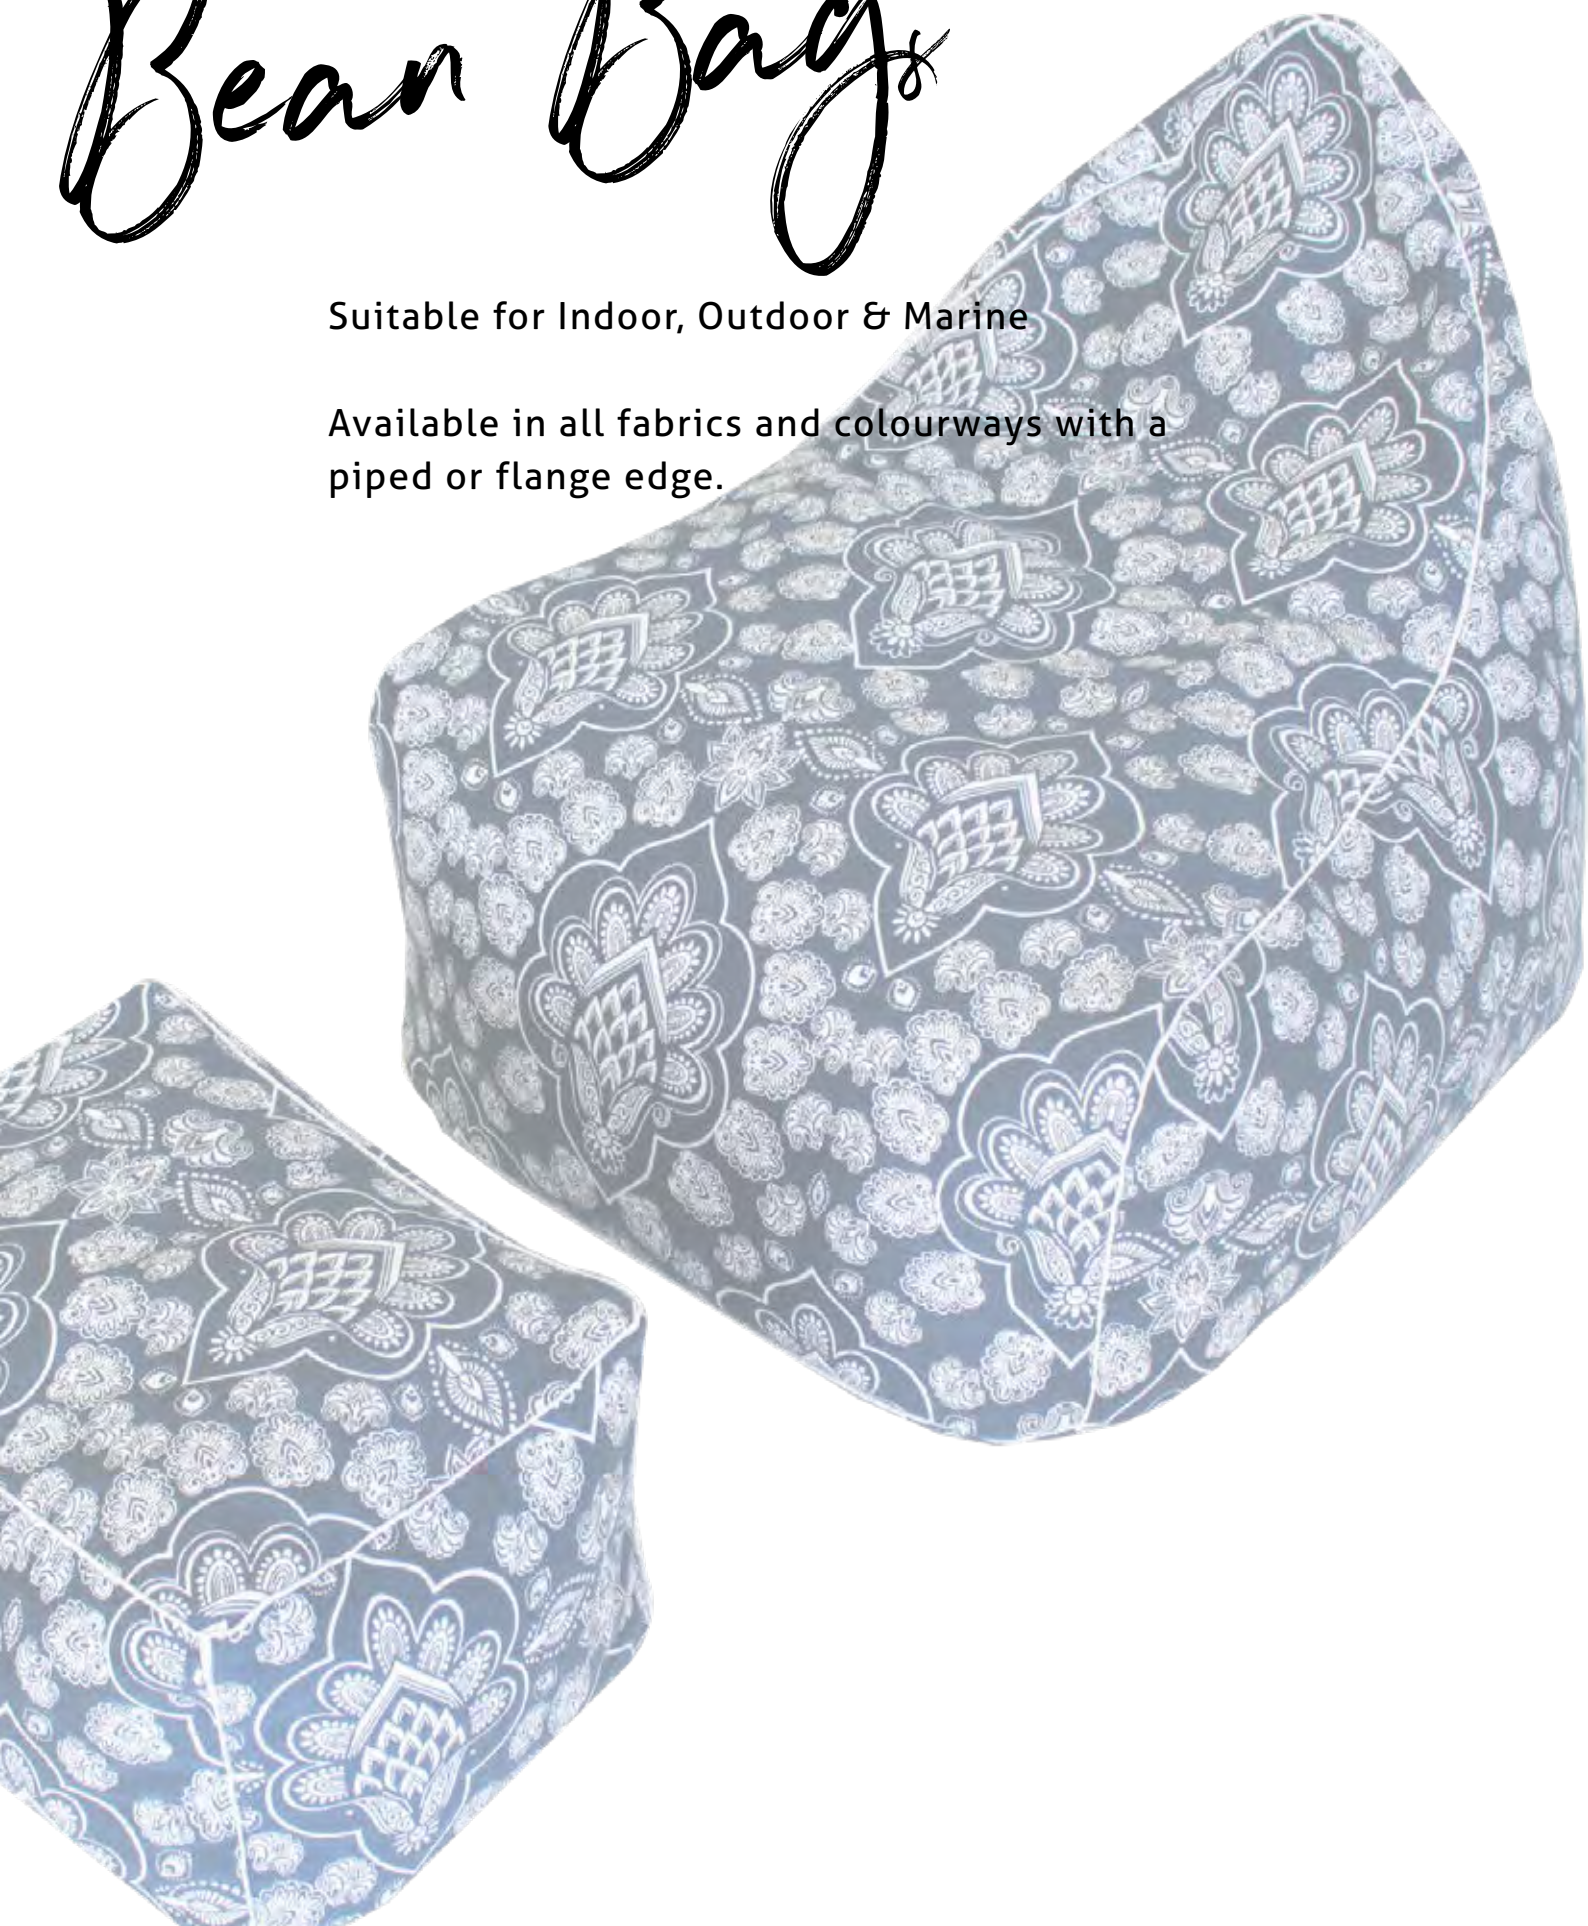

# Bear Bag
